PET LICENSE APPLICATION

Thousands of animals find their way into Maricopa County care centers each year without any form of identification. Unfortunately, without identification we are unable to reunite them with their families. Purchasing a dog license will ensure your special companion can be returned home quickly and safely.

In Maricopa County all dogs over the age of three months are required by law to be licensed and vaccinated against rabies. Application for license must be made within 15 days of vaccination. Residents new to Maricopa County and new dog owners must purchase a dog license within 30 days. A penalty fee of two dollars shall be paid if the license application is made less than one year subsequent to the date on which the dog is required to be licensed. If the license application is made one year or later from the date on which the dog is required to be licensed, an additional penalty fee of ten dollars shall be paid for each subsequent year up to a maximum of twenty-two dollars. **First time license applications must include proof of rabies vaccination and proof of sterilization.** The term of the license is based on the month and day of the most current rabies vaccination record and is valid for one calendar year.

*Recognizing how important your cat is to your family, Animal Care & Control is pleased to provide voluntary cat licensing. We encourage you to take advantage of this program to ensure the safety of your pet. See license fees below. Penalty fees do not apply.

To obtain your license mail this **application**, a **copy of the rabies vaccination certificate**, a **copy of the sterilization certificate (if applicable)** and your **check made payable to Animal Care & Control** to:

Animal Care & Control, P.O. Box 52887, Phoenix, AZ 85072

THIS APPLICATION IS TO BE USED FOR FIRST-TIME LICENSING AND/OR OWNERS ONLY

Please do not use this application to renew your pet's license. Failure to use your renewal form will cause substantial delay. Thank you!
